

TECHNICAL DATA SHEET

Order No. **418-1003**

Item/Model **SARO Electric Slicer
model LIVORNO**

GTIN **4017337418930**

- Material: (housing) light metal,
, (blade) hardened and chromium-plated steel
- With belt drive
- Diameter of the blade: 220 mm
- Adjustable cutting thickness: 0-8 mm
- Built-in knife sharpener
- Blade protection ring- Not suitable for continuous operation
- Weight: 16 kg
- Dimensions: W 398mm x T 479mm x H 404mm
- Conn.: 230 V - 50 Hz - 0,12 kW

Origin China

customs tariff no. 84385000

Importer Saro Gastro-Products GmbH, Sandbahn 6, 46446 Emmerich am Rhein, GERMANY

SAFETY & WARNING INSTRUCTIONS

Order No. **418-1003**

Item/Model **SARO Electric Slicer
model LIVORNO**

GTIN **4017337418930**

Safety and Warning Instructions

- Place the device exclusively on a stable, level, and non-slip surface.
- Before connecting, ensure that the mains voltage matches the specifications on the rating plate.
- Children and unauthorized persons must not operate the device or remain unsupervised nearby.
- There is a risk of injury from the rotating cutting blade during operation—keep hands and other body parts away from the working area.
- Always use the food holder to press items toward the blade. Never work with bare hands.
- Never clean the device with a water jet or immerse it in liquids; this poses a risk of short circuits and electric shock.
- Always switch off the device, disconnect it from the power supply, and ensure all parts are stationary before cleaning or maintenance.
- Use only original parts and accessories to ensure the safety and functionality of the device.
- Do not use damaged cables or components; repairs must only be carried out by qualified personnel.
- Wear appropriate protective gloves when cleaning the cutting blade, as it is extremely sharp and can cause cuts.
- The slicing thickness should always be set to "0" when the device is not in use to prevent accidental injuries.
- Dispose of packaging materials safely and keep them out of reach of children, as they pose a suffocation hazard.
- Do not operate the device near heat sources, direct sunlight, or in humid environments.
- The device is intended exclusively for processing food such as sausages, cheese, or similar products. Cutting frozen food, items with bones, or non-food items may cause damage and void the warranty.
- If visible damage or malfunctions occur, immediately stop operation and contact qualified personnel.
- Regular cleaning is essential to maintain hygiene and functionality. Removable parts must not be cleaned in the dishwasher.
- The integrated blade sharpener should only be used according to the instructions in the user manual.
